DESIGNER TOENAILS

BODY DYNAMIC DUO

With the onslaught of summer skin can become very dry, dull and dehydrated. If you are therefore looking for treatment-strength products for the body then OMVEDA's Withania Honey Body Scrub and Honey Body Moisturise are wonderful choices that promise to transform the skin to silky smooth and hydrated. To remove dead cells Withania Honey Body Scrub is a highly effective yet silky smooth body polish that contains fine beads of walnut and is enriched with aloe and honey as well a unique blend of organic Ayurvedic botanicals that create a unique exfoliating experience. Its refreshing aroma from plant concentrates makes this product as pleasurable as it is effective. After exfoliation, Honey Body Moisturiser will drench dry skin with the most soothing and hydrating lotion that promises to transform even very dry skin. This is a highly concentrated moisturiser that contains Vetiver and Rose extract leaves a wholesome aroma, while creating a silky feel on the skin. All OmVeda products are formulated through strict Ayurvedic principles and are uniquely different to anything else you have tried. **To experience these products for face, body and hair phone OMVEDA on 1300 662 383.**
