

AHHHPRICOT COLLECTION

For centuries, the fruit, kernels, oil and flowers of the apricot have been used in medicine and cosmetics the world over. Eminence Organic Skin Care unveils a new collection that harnesses the incredible healing power of this delicious fruit. The new Ahhhpricot collection includes a refining sugar scrub, vitamin packed masque, soothing and hydrating body oil and Apricot Whip Moisturiser, which is an Eminence classic! Exceptional Body Total Radiance

Designed for skin where ageing has been accelerated by hormonal imbalances, Thalgo's Exceptional Body Total Radiance Cream works in five key ways: anti-ageing, firming, slimming, draining and nutrition for mature skin. Ingredients include natural Algae Hormones, Green Arabica Coffee and Sacred Lotus extract. Formulated under Thalgo's new formulation charter, it's free from parabens, mineral oil, propylene glycol, artificial colouring, GMO's, silicon and ingredients of animal origin (except beeswax). Its got all the goodies, call 02 9477 6900, visit www.thalgo.com.au.

Body Protection Naturally

OmVeda's new Raksha Oil, meaning one that protects, does just that - from stimulating circulation and breaking down fats, to nourishing skin. Full of natural roots and herbs such as Sida Coridifolia known for it's anti-inflammatory benefits. The protection extends to the environment too as its not tested on animals and free from chemicals and preservatives. Call OmVeda on

1300 662 383, www.omveda.com.

Keeping Feet Fair

When products that look good and work well, are sustainably manufactured and fairly 'traded' - using them is all the more pleasurable – no guilt required! Bodecare's new hand-made Pumice Spa Brush is such a pleasure, its small enough for travel, in its own cotton bag and will work wonders with clients' feet in the spa and at home. Order online from Bodecare's new site, www.bodecare.com or call 07 3870 0860.
