

TREATMENT

A Joya to behold

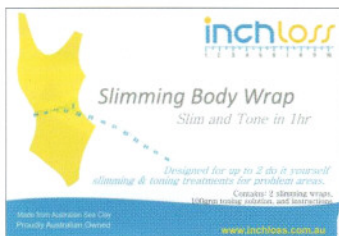

Imagine creating greater, deeper results with less effort by massaging with precious crystal spheres rotating freely in handy holders. Joya's Gemstone Massage Rollers are excellent for relaxing, therapeutic massages and facials, with five aesthetic tools, elegant accessories and over 20 gemstones including amethyst, rose quartz and jade. Gemstone massage is a powerful modality to acquire. Increase spa income by offering these unique new treatments to clients. Increase the amount of pressure while decreasing the physical effort to therapists' hands and body. Visit Joya's expo stand, number 2023. **Contact: Joya 0406 971 387.**

Tummy mummy

Drawing on an ancient Egyptian practice, Inch Loss slimming body wrap advanced slimming treatment helps reduce inches from the stomach and abdomen area. A combination of herbal extracts, amino nutrients and Australian sea clay opens pores and helps draw out toxic accumulations from the skin and soft tissue. Pressure

wraps compact the detoxified fatty tissue, reducing overall measurements of the stomach and abdomen. Skin is left silky smooth. **Contact: Inch Loss 1300 554 522.**

BODY GUARD

OmVeda's new Raksha (meaning "one that protects") Oil helps stimulate circulation, nourish skin and ease fatigue, while dissolving excess fat and helping increase metabolism. It contains roots and herbs like anti-inflammatory, detoxifying sida, soothing aloe and cooling vetiver. Rejuvenating Ashwagandha (winter cherry) helps relieve fatigue, Indian camphorweed helps treat psoriasis, arthritis and rheumatism, Himalayan cedar enhances circulation and treats eczema and psoriasis, while coco grass relaxes muscles. **Contact: OmVeda 1300 662 383.**

POLLUTION CONTROL

Babor Skin Perfecting Fluid helps reduce skin irregularities while providing protection from air-borne pollutants. Extracts of Queen of the Prairie and oligosaccharides refine pores and regulate skin's healthy bacterial flora; preventing impurities, for a clean, clear complexion. Detoxophane, from garden cress, activates the skin's own detoxification and antioxidant enzyme production to protect it from environmental pollutants such as tobacco smoke, exhaust fumes and smog. **Contact: Babor 1800 139 139.**

TERRIFIC TONE-UP

With antioxidants vitamin E and F plus wheatgerm oil and ginkgo biloba, Algoane's Ultra Firming Bust and Body Cream help skin regain suppleness and elasticity. Thermo Active Express Shaping Gel contains caffeine, seawater and brown seaweed to eliminate toxins, break down fatty tissue and restore skin tone and firmness. Cellu-Smoothing Gel targets cellulite from the inside with three active algae-based ingredients plus caffeine. Anti-Orange Body Mask with Self-Warming Action combines fucus and laminaria digitata seaweed with caffeine-rich guarana to eliminate excess water, toxins and fats. **Contact: Advanced Cosmeceuticals 1800 242 011.**

MYSTIC PIECES

New to Stone Eagle Massage Stones' Dreamtime range, Western Australian Mookaite Jasper is available in bracelets and toe stones, in shades of pink, red and yellow. A nurturing stone that supports and sustains during times of stress, Mookaite can be used to treat fat disorders and stomach problems. It helps prevent and heal hernias and relieve water retention. Launching at the Sydney beauty expo, their Mystic Crystal Collection includes gemstone crystals such as citrine, amethyst, rose quartz and blue agate in the medium working stone size of 60mm x 30mm x 80mm. **Contact: Stone Eagle Massage Stones 1800 504 886.**
